

Art Gallery of the University

The art gallery of Tabriz Islamic Art University, which was established in 2011 with the purpose of encouraging students to collect and display their works, is now recognized as a magnificent museum in the country which some of its exquisite works can be seen below.

IRCICA Festival

The faculty of Islamic handicrafts, in association with Research Center for Islamic History, Art and Culture (known as IRCICA), affiliated with the Organization of Islamic Cooperation, brings together experts from the countries around the world in Iran, in order to discuss, explain, exchange views and provide proper approaches to the Islamic arts and handicrafts.

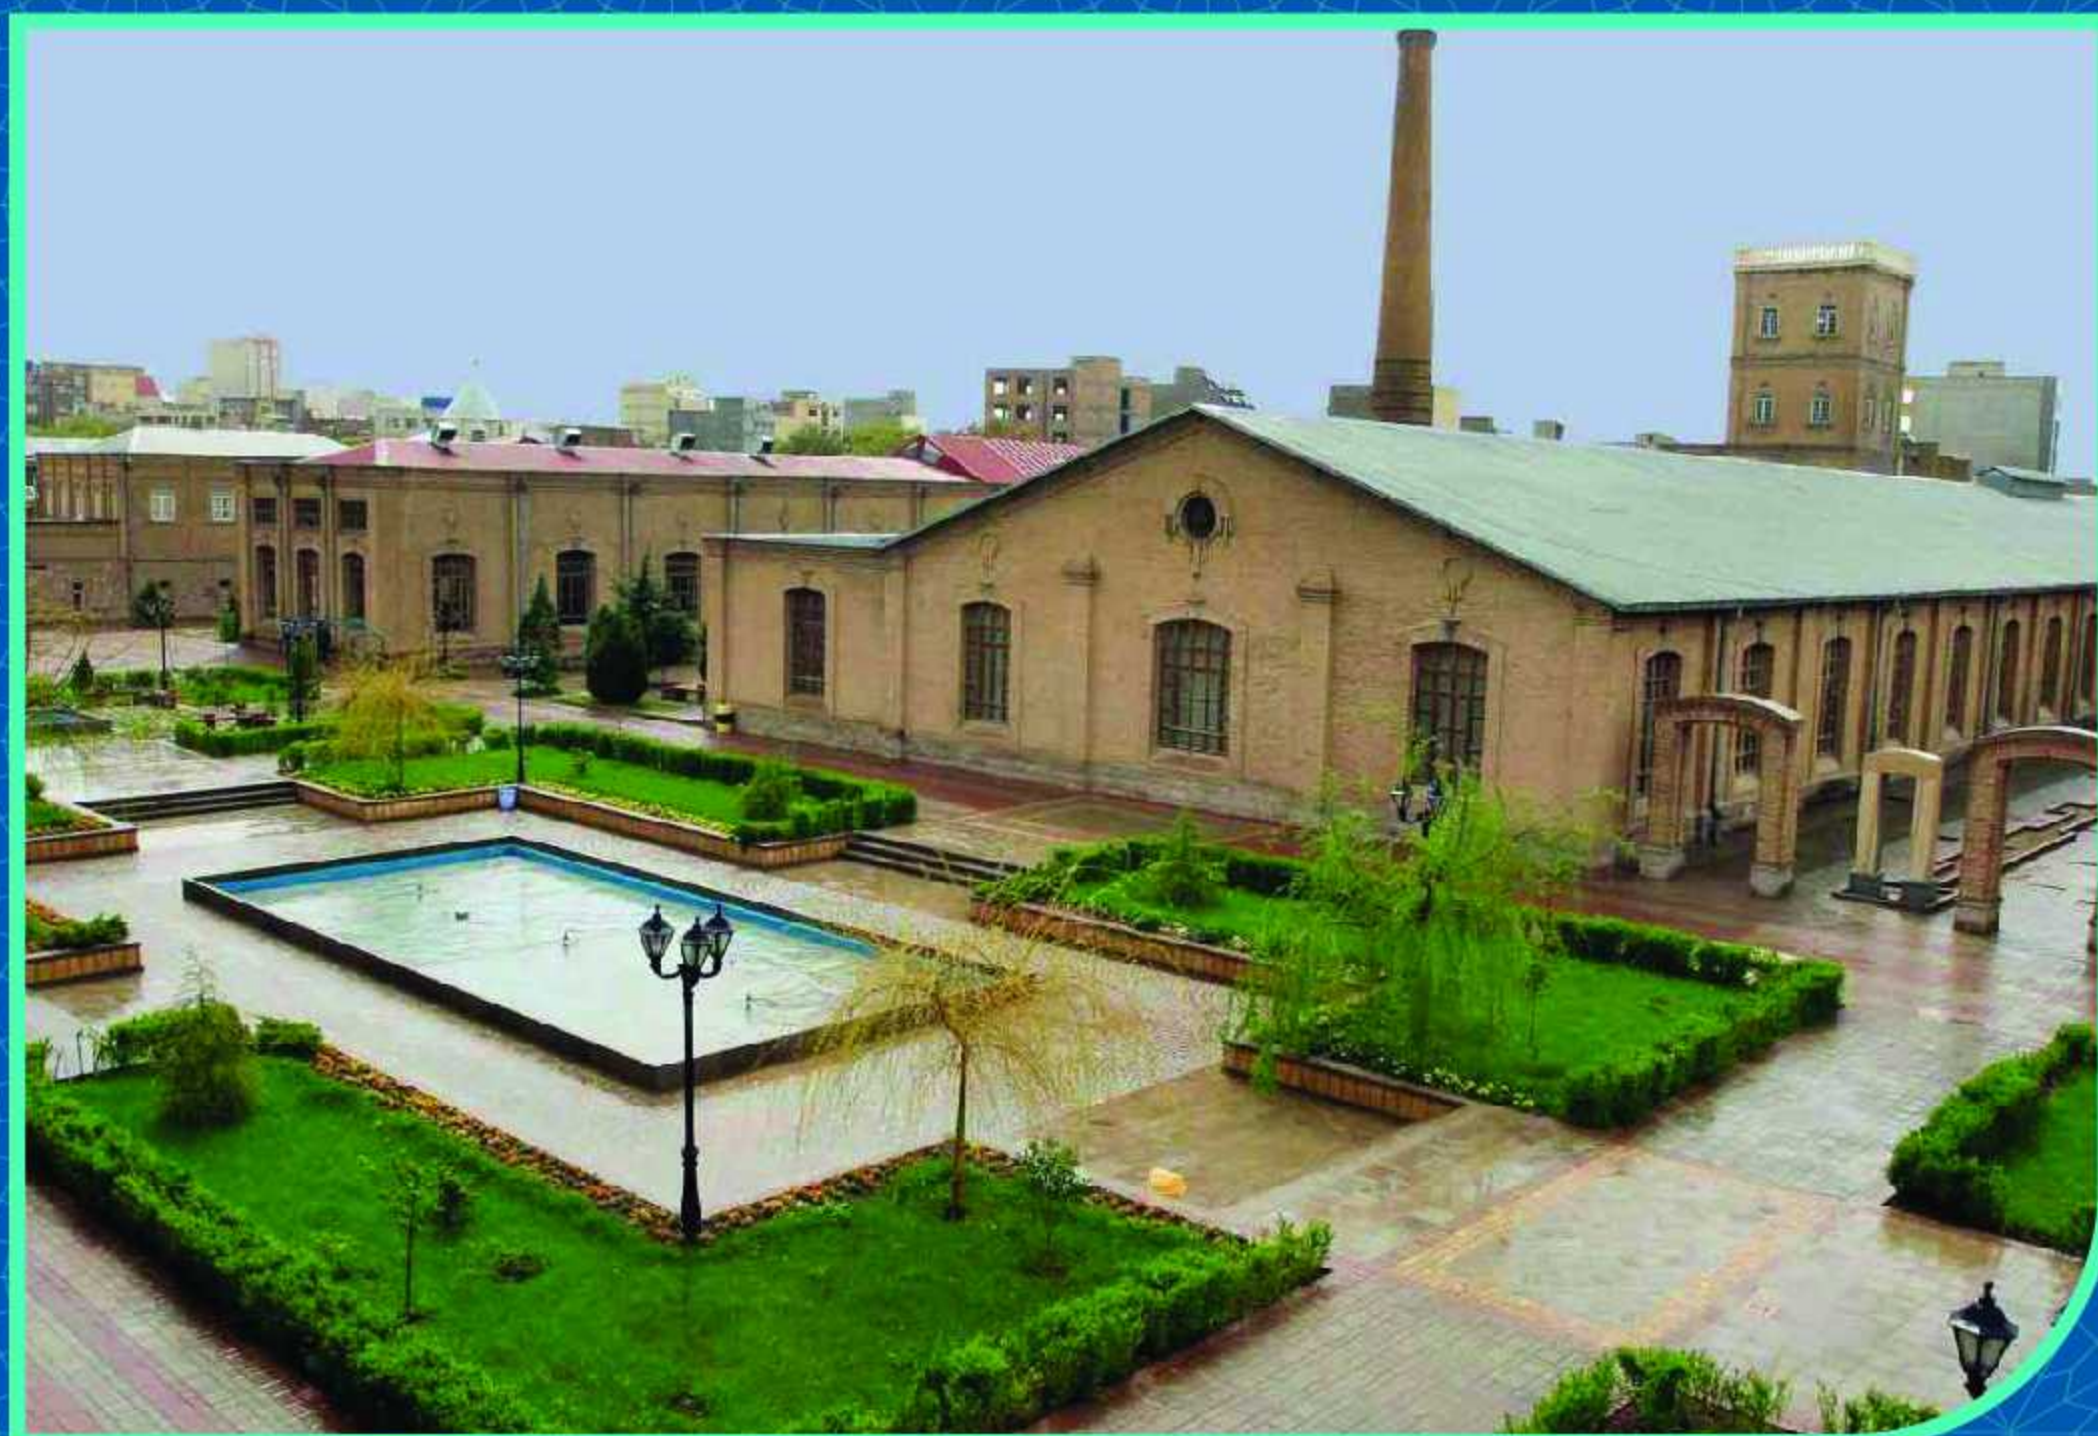

Tabriz Islamic Art University, in the same line, has been developing its international relations by holding the "Tabriz International Festival of Creativity and Innovation in Islamic Arts and Crafts" in order to present practical experiences, especially in the field of academic teaching of handicrafts brought together scholars and experts from Islamic countries in the metropolitan city of Tabriz.

Tabriz Islamic Art University

www.tabriziau.ac.ir

Tabriz Islamic Art University was founded in 1999 by Prof. Mohammad Ali Kaynejad with the aim of training and supplying part of the specialized scientific and artistic human resources required by the country. This university which is the only state center for higher education in Islamic art, as a leading scientific and artistic center in the "Islamic and Iranian Arts" and modern technologies, benefiting the experienced professors, has succeeded to reach a valuable position among the universities of the country and the region, and it is a great honor to be selected as the best art university in the country for three consecutive years.

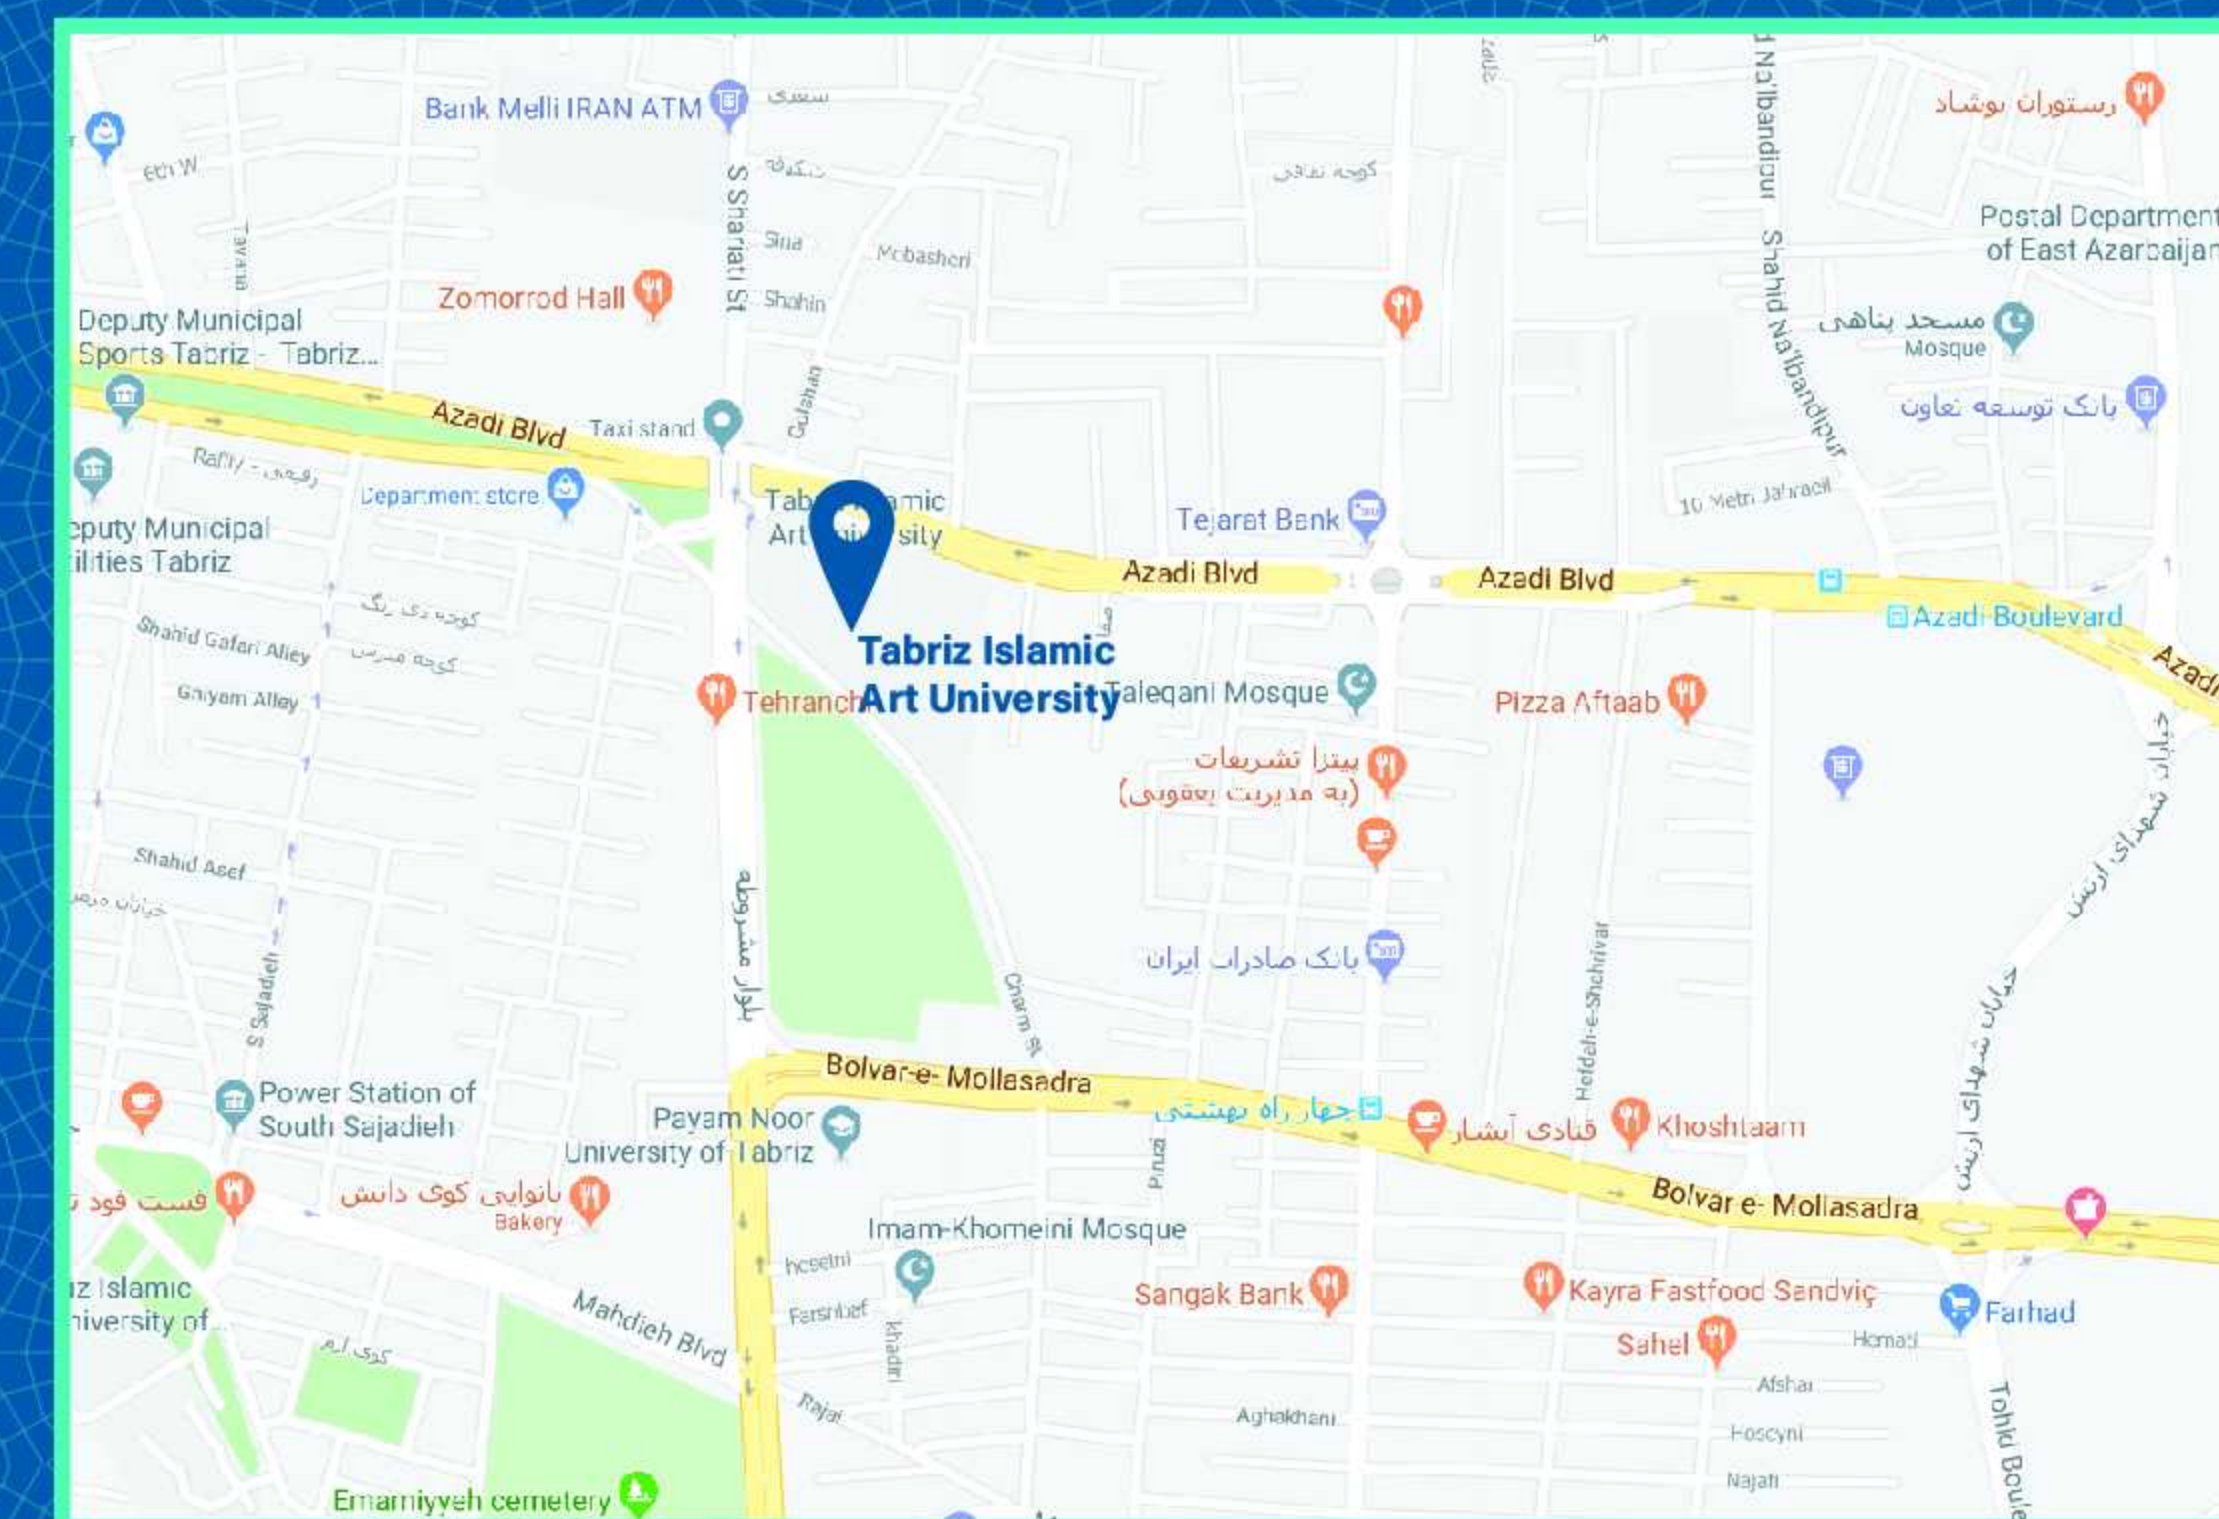

Due to the university's policy of supporting the development of international relations, students and researchers from various countries around the world, including the US, UK, Portugal, Italy, as well as countries in the region, are conducting their research or taking short-term research courses.

To this end, Tabriz Islamic Art University has signed various cooperation agreements with top foreign universities, including Sapienza University of Rome Italy, University of Minho Portugal, Madrid Polytechnic, Milan Polytechnic and so on.
